# Login Page

The image is a screenshot of a web browser displaying a login page. The browser's address bar shows the file path: `C:/Users/KING/OneDrive/Desktop/SAMPLE%20FILES/ASSIGNMENT%202/Reg%20form/Login.html`. The login form is centered on a solid pink background. It has a white rounded rectangle containing the title "Login Form" in bold. Below the title are two input fields: "Username" and "Password", each with a placeholder text of the same name. A blue "Login" button is positioned below the password field. At the bottom of the form, there is a link: "Don't have an account yet? Click here to [register!](#)". The Windows taskbar is visible at the bottom of the screen, showing the search bar, task view button, and several application icons. The system tray on the right indicates a temperature of 28°C, cloudy weather, and the date 13-11-2022.
